1	They didn't take about emerging neighborhood. They talked about continued development in established neighborhoods.	4/11/2016 10:52 AM
2	Milan can be a bit over dominating on a panel.	4/8/2016 6:23 PM

3	antagonism kept conversation limited	4/8/2016 4:26 PM
4	Milan had it right, and I wish the moderator did not repeat the rude remark from an audience member about his hair loss.	4/8/2016 2:03 PM
5	Couldn't you have picked someone better than Milan.	4/8/2016 10:06 AM
6	On the ground, real world perspectives, very good.	4/7/2016 8:20 PM
7	Wouldn't recommend inviting Milan backWould have been better with one or two more people on this panel.	4/7/2016 7:56 PM
8	Milan shouldn't be included as a panelist, maybe a comic, but not a serious real estate investor	4/7/2016 4:56 PM

10	Loved Milan's direct and candid nature.	4/7/2016 11:44 AM
11	Excellent because of Mllan Ribenstein. Appreciate people who do not play games, politics, talk in code. Also someone who knows the market in person and not just on a sheet of paper. Sorry other came across as living in a bubble.	4/7/2016 11:30 AM
12	The honest dialogue was engaging and compelling.	4/7/2016 11:19 AM

1	No very good public speakers.	4/8/2016 6:23 PM

3	Very low energy.	4/8/2016 9:56 AM

8	Interesting information, but it went a little long for the topic without the kind of detailed information provided by some of the other Panelists/Presenters.	4/7/2016 11:51 AM
9	Too much time spent listing each one of their properties.	4/7/2016 11:44 AM
10	Instead of ending on a high note, the speakers lacked enthusiasm and were not at all engaging.	4/7/2016 11:19 AM
